info@connectedriding.com
Connected Riding ® founded by international Clinician and Author Peggy Cummings. Connected Riding ® is a system of riding, groundwork, and biomechanics that synchronizes the rider with the horse. We offer Instructor Workshops, Clinics, Courses, Demos, Lessons and More. Rider Awareness Groundwork, Work Under saddle. Connected work is the foundation of Dressage movement for all riders and all disciplines. Visit both our websites to see what's happening in your area.
