Connected Riding ® founded by international
Clinician and author Peggy Cummings.

Connected Riding ® is a system of riding, groundwork,
and biomechanics that synchronizes the rider with the
horse. We offer Instructor Workshops, Clinics,
Courses, Demos, Lessons and More. Rider Awareness
Groundwork, Work Under saddle. Connected work is
the foundation of Dressage movement for all riders and
all disciplines. Visit both our websites to see what's
happening in your area.
